Ballet, tap, and jazz shoes need to be clean for performances. We strongly suggest having 2 pair of each shoe (not for tap). This way 1 pair can be used in class and the other for performances. If your dancer has shoes from last year that still fit, those could be their class shoes!

All competition dancers will also need the following items for performances:

- Bobby pins
- Hair ties
- Hairspray
- Hair gel
- Foundation that matches skin tone
- Blush
- Black mascara
- Black eyeliner
- Brown eyeshadow pallet
- Red lipstick

Other items that are helpful to keep in a make-up bag for performance are:

- Small sewing kit

- Small scissors
- Nail polish remover
- Nail file (to help avoid snags in tights)
- Feminine products
- Band-Aids
